Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Wednesday 29 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain spreading northeast this morning, turning drier this afternoon. Mild.

Today:
After a dry start widespread rain will soon extend northeast across all parts during the day. Dry and clearer weather following on for the afternoon. Blustery across the southwest. Mild.

Tonight:
Mainly dry this evening, rain clearing Shetland towards midnight. Showers or longer spells of rain, occasionally heavy, spreading from the west in the early hours.

Thursday:
Showers clearing away in the morning, then mainly dry with some brightness. Mild. Persistent rain spreading north overnight.

Outlook for Friday to Sunday:
Rain dying out across central and southern areas through the morning then mainly dry. Mild and windy on Saturday with patchy rain. Further rain likely on Sunday.
